

# ONE WORLD FAMILY

UNITING THE WORLD THROUGH COMPASSION

Thursday, May 22, 2014 ~ 6 – 9:30 pm ~ Admission is Free  
Sanctuary of Unity Ft. Lauderdale

What an amazing time to be alive! Because of advancements in transportation, the internet, and other communication technologies, we live in an age where our lives are interwoven with one another; it is a world rich in diversity, and at times it is also a fractured world, filled with suffering, poverty, disease, war, and violence. The human qualities of compassion, empathy, understanding, and forgiveness must be cultivated and sustained as the foundation of our interactions with one another and the pillar of our *One World Family*.
