

## **Maha Shivaratri February 24, 2017**

*Maha Shivaratri - “The great night of Shiva”, is one of the holiest nights of the year. It is the night dedicated to the worship of Lord Shiva and is celebrated on the 13 or 14<sup>th</sup> day of the dark half of the month of Magha/ Phalguna (February--March).*

*In the trinity of the manifestation of the Supreme Reality, he is the one who destroys that which is old and impure to make room for that which is pure and divine. Lord Shiva annihilates our egos, our attachments and our ignorance. Without the annihilation of old habits, attachments and ego, we cannot progress toward the goal of God realization.*
