Kriya Yoga UK is pleased to announce the visit of Rajarshi Peter van Breukelen to London from 27 - 29 October 2017.

If you are interested in learning Kriya Yoga, there will be an introductory lecture on Friday evening and an opportunity to receive initiation and to learn and practice the techniques of Kriya Yoga on Saturday and Sunday.

Kriya Yoga is the ancient and mystical path to self realisation. 'Kri' is the work or activity carried out by 'ya' the indwelling soul. Yoga is the union of individual self and Supreme self. Kriya Yoga is a non-sectarian, scientific and practical meditation technique practised by sages and saints since time immemorial. Kriya Yoga leads to the transformation of the physical consciousness into Divine consciousness and is the essence of all yoga's taught in the world.

To practice Kriya Yoga, one needs to receive initiation which can only be given with the grace and love of the Master through an authorised teacher, during which the body is purified and energised. The initiate may perceive Divine Light, Divine Vibration and Divine Sound in the whole body. There is no book or lesson to learn the Kriya Yoga techniques. Kriya Yoga emanates from beyond the five senses organs.

Peter is a disciple of Paramahansa Hariharananda, a God-realised Kriya master who is a direct disciple of Swami Shriyuktishwar. Many spiritual seekers will already be aware of the great Kriya Yoga Master Paramahansa Yogananda through his book *An Autobiography of a Yogi*. Paramahansa Yogananda was also a direct disciple of Swami Shriyuktishwar.

These teachings have been handed down through an unbroken lineage of realised Masters since being reintroduced to the world in 1861 by Mahavatar Babaji.

Peter van Breukelen has been practising Kriya Yoga for over 30 years. He lives with his family at the Holland Ashram. He teaches by example with simplicity and love.

This event will be of interest to those who wish to learn Kriya Yoga for the first time and who will benefit from the purity and authentic teachings of this lineage.

Kriya Yoga can be practised by those who have never meditated or practised yoga before. There is no need to book in advance. However, it is recommended that you attend the introductory lecture on Friday evening and the full weekend if you are interested in learning the technique.

For those who are already practicing this is an excellent opportunity to review your technique and to deepen your practice.
