WHAT IS KRIYA YOGA

Kriya Yoga is an ancient method of living
and meditation that cultivates body, mind,
intellect, and awareness of the soul using
powerful meditative and yogic disciplines.
It helps us to experience the three divine
qualities of light, vibration, and sound
by using techniques of concentration,
posture, and breathing. This develops
a one-pointed mind, which enables
us to penetrate the deepest levels of
consciousness and to change our lives.
Kriya Yoga teaches that any action, *kri*,
is done by *ya*, the indwelling soul. It is a
universal spiritual discipline that crosses
all divisions and boundaries.

filled with purity and love, came from
a long, unbroken line of masters,
ultimately attaining nirvikalpa samadhi,
the highest goal of a realized yogi.
A disciple of Swami Shriyuktishwarji
and Paramahansa Yoganandaji, he spread
Kriya Yoga to the East and West.

his successor, continues his mission
teaching one lesson: the lesson of
love. Through every action and breath,
he urges us to realize that we all
are divine and to achieve that blissful
state of divine love and contentment
through basic self-discipline and the
practice of Kriya Yoga.
