

Kriya Yoga UK Initiation Programme
Rajarshi Peter Van Breukelen
4 to 6 October 2019
London

Kriya Yoga UK is pleased to announce the visit of Rajarshi Peter Van Breukelen to London to teach Kriya Yoga from 4 - 6 October 2019. If you are interested in learning, there will be an introductory lecture on Friday evening and an opportunity to receive initiation and to learn and practise the techniques of Kriya Yoga on Saturday and Sunday.

Kriya Yoga is the ancient and mystical path to self realisation. 'Kri' is the work or activity carried out by 'ya' the indwelling soul. Yoga is the union of individual self and Supreme Self. Kriya Yoga is a non-sectarian, scientific and practical meditation technique practised by sages and saints since time immemorial. Kriya Yoga leads to the transformation of the physical consciousness into Divine consciousness and is the essence of all yoga's taught in the world.

In order to practise Kriya Yoga, one needs to receive initiation which can only be given with the grace and love of the Master through an authorised teacher, during which the body is purified and energised. The initiate may perceive Divine Light, Divine Vibration and Divine Sound in the whole body.

There is no book or lesson to learn the Kriya yoga techniques. Kriya yoga emanates from beyond the five sense organs.

Peter was initiated into Kriya Yoga in 1974 by Paramahansa Hariharananda who in turn received Kriya initiation from the great Kriya Yoga Master Paramahansa Yogananda. Many spiritual seekers will have heard of Paramahansa Yogananda through his book "Autobiography of a Yogi". These teachings have been handed down through an unbroken lineage of realised Masters since being reintroduced to the world in 1861 by Mahavatar Babaji.

Peter lives in the Ashram in Sterksel in the Netherlands. He teaches by example with simplicity and love. This event will be of interest to those who wish to learn Kriya Yoga for the

first time and who will benefit from the purity and authentic teachings of the lineage. Kriya Yoga can be practised by those who have never meditated or practised yoga before.

If you are interested in learning Kriya Yoga, it is recommended that you attend the introductory lecture on Friday evening and the full weekend. For those who are already practising, this is an excellent opportunity to review your technique and to deepen your practice.
