Retreat Information:

Shri Lahiri Mahasaya used to say that a disciple should spend at least a few days each year in the company of his or her master. This unique retreat at the Kriya Yoga Centre Vienna is a rare opportunity to not only be in the presence of our great divine master, Paramahansa Prajnananandaji, but also to learn and deepen your practice of the Higher Kriyas. Kriyavans will have the opportunity to learn and practice the advanced Kriyas, get clarifications on the techniques, as well as receive spiritual teachings and get insight into the deeper wisdom hidden in the scriptural texts.

All who have been initiated in any of the Higher Kriyas by authorized teachers of the lineage of Kriya Yoga of Paramahansa Hariharananda and Paramahansa Prajnanananda are welcome to attend this retreat. Second Kriya initiations are planned for those Kriyavans who have been practicing First Kriya for at least three years and have received permission prior to the retreat. Please contact us for more information about the initiation.

Persons initiated into 2nd Kriya can also attend single parts of the programme.
