Dear KRIYA YOGA Friends!

We are very pleased that our teachers will come again to join us for this silent retreat to guide us during this time through meditation and lectures. It is a very special occasion to assemble with our teachers in peace and quietness. Swami Chidrupananda Giri will give lectures about the Holy Bible. He took Sannyasa initiation from Paramahansa Prajnanananda in 2012. He is presently a resident monk in the Mother center ashram in Homestead/Florida.

The retreat starts on Wednesday, 2nd November and will end on Sunday, 6th November 2022.

Participation for the entire period is obligatory..

Initiations into 1st Kriya Yoga and 2nd Kriya Yoga can be obtained

The retreat will be held, as usual, at "Familienbegegnungsstätte" Huebingen, a very nicely situated seminar location in rural atmosphere. Here, we have the possibility to rent small accommodation units for 4 – 6 persons, which can be booked as well as for self-catering as for full vegetarian board and lodging.
