The Scientific Teachings of Kriya Yoga Meditation

October 23 - 26, 2025
Cleveland, OH

with Swami Purnatmananda & Yogacharya Bhadrayu Pandya

Kriya Yoga is a simple, yet extraordinarily powerful, meditation technique; a quick path to reach higher states of consciousness and change your life by developing mind, body, intellect and awareness of the soul. Kriya Yoga is non-sectarian and suits lay practitioners involved in modern, daily life as much as it does those who meditate in the quiet caves of Himalayan peaks. For generations, Kriya teachings have been lovingly handed down from teacher to student, year after year, century after century. The Kriya Yoga techniques are passed on only by word of mouth from an authorized teacher directly to the student. Auspiciously, you have the opportunity to learn this ancient technique now.
