

VANCOUVER KRIYA YOGA INITIATION - October 23-25, 2026

Kriya Yoga is a scientific, powerful, non-sectarian meditation technique designed to accelerate self-realization without requiring painful austerities. Rooted in an unbroken, authentic lineage of enlightened masters, it is a practical path for modern laypeople of any religious background to deepen their connection to God. Consistent practice yields universal benefits, including profound calmness, peace, joy, and compassion.
